The RELATIONSHIPS I built  
with my professors at Loyola  
were IRREPLACEABLE.  
That constant reinforcement  
and encouragement helped  
me start my DREAM  
BUSINESS.

KATHRYN KERRIGAN (M.B.A. '05)

*At six feet tall, Kathryn Kerrigan had trouble finding fashionable shoes that fit. She took an innovative idea, applied the solid business principles she learned at Loyola and is enjoying a runaway success with Kathryn Kerrigan, Inc.—Shoes for Women Who Stand Tall ([www.kathrynkerrigan.com](http://www.kathrynkerrigan.com)).*
